CLASS HISTORY

On a bright September day in 1946, we, as "eager" first graders, attended our first day of school. There were 23 from the Cory building and 43 from the Rawson building. Of these, 30 have gone 12 years together.

During the summer between our third and fourth grades, the Mt. Cory and Rawson schools consolidated to form Cory-Rawson Local School.

In the fall of 1954, 48 freshmen started their high school career at Cory-Rawson High School. Under the leadership of our sponsors, Mrs. Zimmerman and Mr. Winefordner, we selected our class officers: President, Dorothy Diller; Vice President, Janice Reiter; Secretary, Connie Spaeth; and Treasurer, Gene Falk.

We were ably assisted through our Sophomore year by our sponsors, Mrs. Bruning and Mr. Repp. We chose our class officers as follows: President, Willard Brewster; Vice President, Meran Marshall; Secretary, Larry Elsea; and Treasurer, Dean Bierv. That year we gained John Curry, but lost him at the end of the year. We also lost Bill McVetta, Kenneth Gossard, Dave Cogley, Suzanne Mann, and Janice Reiter.

Our Sponsors for our Junior year were Mr. Deeds and Mr. Todd. We selected as our officers: President, Dorothy Diller; Vice President, Gene Falk; Secretary, Sharlene Huffman; and Treasurer, Carol Yoakam. That year we gained Don Gardner and Cliff Orr, but we lost William Wooley and Shirley Schrover. Our main project for the year was selling refreshments for basketball games. Our Junior play, "The Boarding House Reach", was ably presented by a fine cast, under the direction of Mrs. Wachtel. On May 11, we honored the Seniors at the annual Junior-Senior Banquet and Prom, using a French Sidewalk Cafe theme.

At last we reached our Senior year. Our sponsors were Mr. Clevidence and Mr. Stanton. We elected our class officers as follows: President, Dean Bierv; Vice President, Dorothy Diller; Secretary, Sharlene Huffman; and Treasurer, Carol Yoakam. During the year we lost Bill Dickerson, but gained Tom Wilson. Among the outstanding activities of the year was choosing our annual staff, having our Senior pictures taken at Fostoria, and presenting our class play, "The Form Divine". After our graduation on May 25, we went on our Senior trip which was our last time together as classmates in Cory-Rawson High School. As we go into the future we will always remember our high school days.

PROPHECY

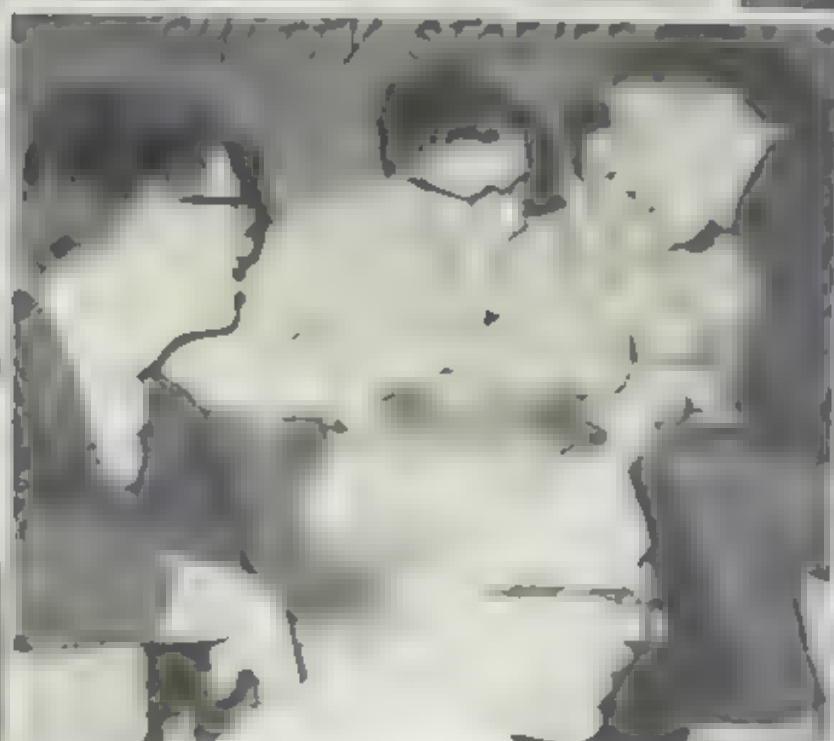

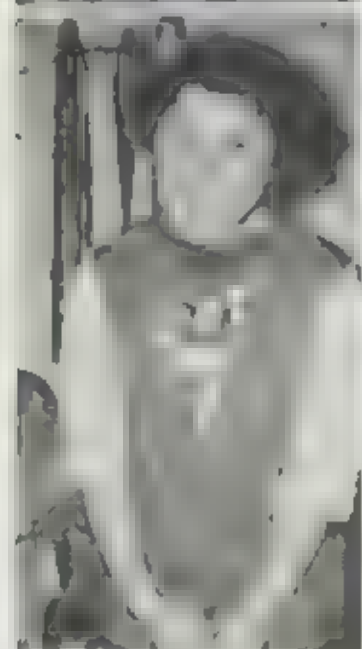

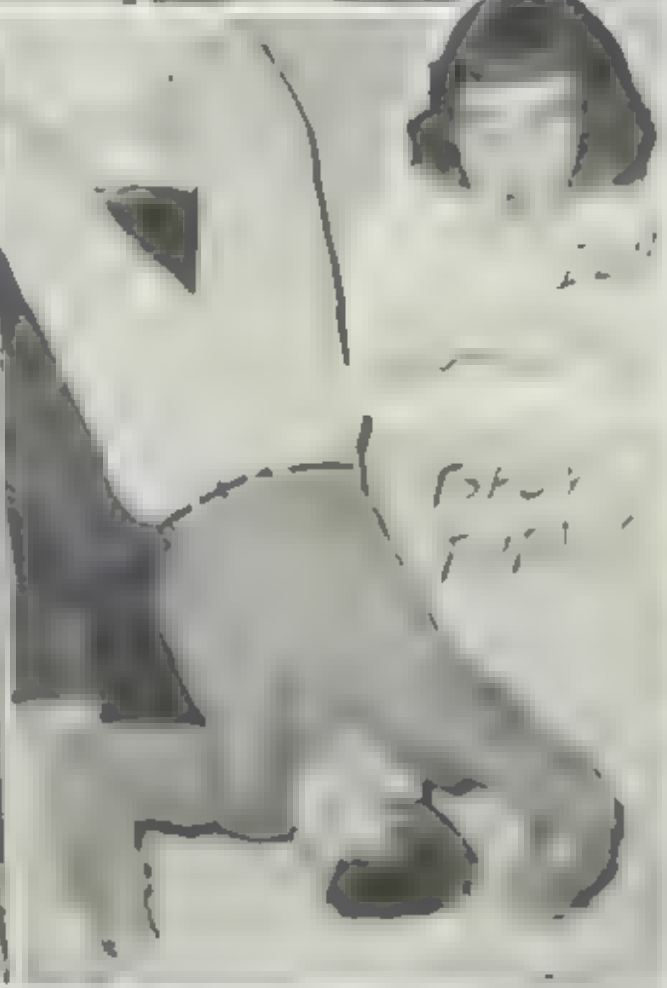

As we, the class of 1958, look into the crystal ball, we find our class in 1968. We are greatly surprised at many of our classmates. Here is what we see:

Nancy Armbrecht is the president of the Elvis Presley fan club. Marilyn Bame, a leading interior decorator, is refurbishing the White House. Bob Baumeier is designing interplanetary space cars. Dean Biery is "Dean of Women" at the Ohio State University. Willard Brewster is chairman of the project, Better Wages for Farmers. Carolyn Borkosky is a cosmologist for Yule Brenner. Sally Clymer is a home economist and is the advertiser on the Kate Smith show. Tom Clymer is the new president of the Shell Oil Co. Butch Falk designs new dance steps, which Larry Elsea, who is an instructor at the Arthur Murray Dance Studio, teaches to his pupils. Don Fortz is selling fish worms in Death Valley. Don Gardner has just won the "Oscar" for his performance in "The Life of Joseph Stalin". Harold Hackworth is the head football coach at the Ohio State University.

Paul Helms sings bass in a quartette that has made several million-dollar records. Alan Rettig supplies the tenor for the quartette. Rosella Helms is now riding around in a Cadillac convertible after missing an answer on the \$64,000 Question. Lester Honse is now playing solo flute in the Boston Pops. Sharlene Huffman teaches elementary grades, and her husband, Merlin Marshall, teaches music. Sue Inbody stars in the new TV program, "Giggles". BAND

The band started a very busy season early last summer. With the exception of only a few weeks, we practiced every Wednesday evening.

We marched in the parade at the Peony Festival at Van Wert, also in the Leipsic, Mc Comb, Mt. Blanchard, and Arlington Homecoming Parades. Several times we gave concerts at local Ice Cream Socials.

Our performance at the County Fair was the end of our Leisure ??? time. To prepare for our pre game and half-time football shows, we practiced twice a week after school besides first period every morning. During the football season about 60% of our band was affected by the flu and several of our practices were dismissed. We also canceled a few games. At the Arlington game, because of wind and snow, we performed only for the pre-game. The music did not carry because of the wind. By the way, the music sheets and hats did carry quite well. Several courageous members, armed with blankets, ear muffs, and other warm apparel, braved the wind and snow to watch our last football game.

One chilly Saturday morning we loaded into cars and headed for Columbus. Our destination Ohio State Football Stadium. We all enjoyed attending a practice session of the Ohio State Marching Band and especially their performance on the field. Despite traffic congestion and flat tires we all had an enjoyable and profitable day.

MUSIC

The vocal music department has presented various programs in which the mixed, boys, and girls choruses took part. Here is a brief resume' of the programs which these groups have presented.

The 1956-57 mixed chorus presented a Christmas Cantata. After that all the choruses went to Ohio Northern University in Ada for district contest. They all received a I and were eligible to go to State contest, which was held at Denison University in Granville, Ohio. The mixed chorus received a I and the other groups both received a II.

The 1957-58 choruses participated in a Christmas band concert. The mixed chorus sang at the Rilev Creek Church. This year the district contest will be held at Bluffton College and the state contest at Ashland College, Ashland, Ohio.

The mixed chorus also appeared before the Kiwanis Club on April 23.

Ensembles, Octets, and Soloists have sung at PTA's, churches, and district and state contests.

The mixed chorus had a barn dance at Pat Powell's barn. The refreshment committee served cider and doughnuts. Everybody had a good time.

Our officers for 1957-1958 are: President-Dean Biery, Vice President-Willard Brewster, Student Advisor-Larry Stratton, Secretary-Frank Scoles, Treasurer-Leonard Brewster, Reporter-Larry Otto, and Sentinel-Don Gardner.

We sponsored several activities during the year such as: Dunking Stand at the Rawson Carnival, float at the county fair, party for FFA, the county pest hunt, which was won by Cory-Rawson for the third straight year, the sale of rodent poison to the public and the annual FFA-FHA banquet.

All of the boys have cooperated very well this year and special recognition should go to Ronnie Moser and Don Klingler, who worked very hard on the pest hunt, and had the highest number of points in the chapter.

We had two boys take the Agricultural Scholarship test. They were Larry Elsea and Dean Biery.

A special thanks to Mr. Deeds from the boys for helping us make our projects successful.

The ninth grade teacher took one look at Carol Z. and knew that she was going to give him trouble. But when he started to explain algebra to his class he was pleased to see that she was paying close attention. When he had done several problems on the blackboard, he asked, "Are there any questions?"

Yes," said Carol. "Where do the little numbers go when you rub them out?"

Willard B. to Larry S. "Why is a Model T and Biology class alike?"

Larry "I don't know."

Willard "Both of them have cranks in front of them."

Mr. Snyder to Tom Niswander. "What is the difference between unlawful and illegal?"

Tom N. "Unlawful is breaking the law and illegal is a sick bird."

Madred and Joyce C. have frequent sisterly squabbles over the chore of doing dishes. After a recent family dinner, Joyce complained, "Gee, Mom I don't feel so good. I've got a headache and I just ache all over."

Madred, expressing mock concern, shouted, "Hurry, call the doctor. She's got the Lazy-atic flu!"
